

CORRECTION

Open Access

Correction to: do patients consider computer-adaptive measures more appropriate than static questionnaires?

Eva-Maria Gamper¹, Caroline Martini², Morten Aagaard Petersen³, Irene Virgolini⁴, Bernhard Holzner² and Johannes M. Giesinger^{2*}

Correction to: *Journal of Patient-Reported Outcomes* (2019) 3:7
<https://doi.org/10.1186/s41687-019-0096-3>

Following publication of the original article [1], the authors reported three of their given name have been erroneously tagged as their family names. The correct names are: give name Caroline family name Martini, give name Irene family name Virgolini, give name Bernhard family name Holzner.

It has been corrected in the original article as well.

The publisher apologizes for any inconvenience caused by this error.
